Thank you for attending TheaterWorksUSA’s production of *Pete the Cat*. We hope this guide will help your students learn more about the musical and its content, as well as give you creative ways to make the show part of your curriculum. A trip to the theater is always very special and unique, and it can create a lifelong passion for performance and storytelling. We hope our production will inspire your students. You may want to review some basic theater etiquette with your class, as this might be one of their first theater experiences. Talking or being disruptive during the performance is distracting to the actors and fellow audience members. However, we highly encourage clapping, laughing, and cheering at the parts they enjoy.

Feel free to use this guide as a starting point for you and your students to explore the show and its rich content. This study guide is designed to enhance your students’ experience in seeing *Pete the Cat*. It will provide discussion points after your class has seen the production, along with lessons and in-class activities. These activities will extend the topic-specific ideas within the show, and engage the students in a hands-on classroom project. Feel free to adapt or change any discussion prompts or material to suit your classroom and style!

**The Story**

Our show is based on the *Pete the Cat* series of books by James and Kimberly Dean. Pete, a rock and roll cat, and his animal friends are living a life of freedom and jam sessions when they wander into a yard and Pete is caught by the cat-catcher and sent to spend a week as a house cat with a family. Pete meets his host family, the Biddles. He becomes roommates with Jimmy Biddle, a second grader who is nervous about the idea and has a lot of rules about behavior he wants Pete to follow. However, Pete likes to play it cool and is not a rule-follower. Jimmy brings Pete to school and his math test turns into an art class. Jimmy is flustered and copies another student’s painting because he can’t think of his own idea for a picture. He gets in trouble and has to create an original picture in order to pass second grade. To help him, Pete takes Jimmy in the VW (Very Wonderful) bus to find inspiration for his perfect picture. They travel to the beach, the moon, and Paris. When Jimmy finally learns to let loose and jam with magic sunglasses on, he paints the perfect picture!

Before Seeing the Show

1. Read some of the *Pete the Cat* books and review the plots and characters with your students.

2. Ask your students about their pets. Have them describe some activities they do with them.

3. One character in the play has a list of rules he likes to follow. What sort of rules do you have in your classroom? Discuss with your students why rules are important. What happens when someone breaks the rules?

After Seeing the Show

1. Ask your students how the musical was different from the *Pete the Cat* books you read. How was it the same? Discuss the actor who played Pete. How do you think he/she prepared for the role? How would you portray a cat on stage?

2. If your cat or pet could speak, what would you ask him? What do you think he would want to talk about? How would your family life change with a talking animal in the house?

3. Why did Jimmy copy the painting? What happens if you copy someone’s work at school? Why do you think it was hard for Jimmy to come up with a painting of his own?

4. Jimmy had a lot of rules for being a roommate. Pete didn’t follow rules. What do you think is better: to have rules or not? Discuss how rules are important in some cases and maybe not important in others.

Activities

**Creative Dramatics**

*ELA Common Core Standard SL.4 Presentation of Knowledge and Ideas*

Have your students reenact scenes from the play. First, have the students discuss specific scenes: who were the characters, where did it take place, what happened? Examples of scenes might be:

Creative Writing

**Character Maps**

*ELA Common Core Standard W.3 Text Type and Purposes*

Use the attached character maps to describe Jimmy and Pete. After students have listed some traits in the bubbles, have them write a paragraph describing the characters using the trait words. Discuss what traits are the same and different for Pete and Jimmy. Students can combine their paragraphs into a story and bind it into a classroom book for all to share.
