The Annual Report is always an opportunity for us to share what has happened at Your LBC, and to continue celebrating our role as the community’s gathering place—something we are proud to claim for the past 38 years. This year’s report marks another milestone year as the Luther Burbank Memorial Foundation completed Phase 3 of its $11.4M multi-phase Bridge to the Future renovation project, resulting in major physical upgrades to the 44-year old facility.

I am thrilled to share the recently upgraded facilities at LBC with our visitors; these improvements were all made with the needs of our patrons and community in mind and we, of course, are deeply grateful for the support of our funders who made it all possible. Their strong commitment to the Center and our mission to enrich, educate and entertain the community through the arts will have a lasting impact on LBC and our community for generations to come. We continue to focus on enhancing our programs to support the community, and we are proud that our Education and Community Engagement Department continues to meet the needs of the community by offering expanded Professional Development programs for educators and teaching artists in addition to all that they do for the children.

While LBC endeavors to make a difference in your lives, as an independent non-profit organization, we do rely on community support to make all of our programs possible. We could not be here without that, and we extend sincere thanks to our more than 5,000 members, donors, sponsors, and funders for continuing to help us do that work. We have faced numerous challenges and also enjoyed numerous successes together over the last four years, and I would like to personally thank you for all of your ongoing support—it is greatly appreciated.

It has been my honor to serve as your Board Chair over the past four years, and I would like you to join me in welcoming Susan Preston, founder of Professional Program Insurance Brokerage, as our new LBC Board Chair. Previously, Susan served as Secretary and Vice Chair of the LBC Board, and I am thrilled to welcome her in her new role. I know her strategic leadership and dedication to the Center will be an asset to the Board and our community!

Kind regards,

Paul Wilcock

The LBC’s dedicated volunteers serve as ushers, art walk docents, administrative aides, and more. We couldn’t do anything we do here at Your LBC without their generous donation of time and talent.
This year, we are thrilled to announce the completion of Phase 3 of our Bridge to the Future renovation project. This $11.4M multi-phase endeavor began nearly 10 years ago and now, almost a decade later, LBC is honored to present a facility with major physical upgrades that improve the patron experience and increase its accessibility, safety, and security.

“For decades, LBC has offered world-class entertainment, education and outreach programs, and a space for the community to gather and celebrate the arts,” said Rick Nowlin. “With the renovations complete, our building now reflects the caliber of our institution and the programming that we offer. It has been a delight to welcome patrons, students, and the Santa Rosa community to our new and improved space. The completion of Phase 3 will allow us to expand our offerings and presence for generations to come.”

From these first three phases, both the interior and exterior of the Center have been enlivened through major upgrades to the Lytton Rancheria Grand Lobby and first-floor restrooms; significant improvements to front-of-house, back-of-house, stage, and technical capability in the 1600-seat Ruth Finley Person Theater; installation of the first-ever elevators in the building; the creation of the new 18,000 square foot, fenced-in Marcia and Gary Nelson Family Grand Plaza; development of a first-ever balcony concession area and new built-in concession service on the ground floor; renovation and upgrades to the multi-use Joan and Mack Schwing Salon (formerly Fireside Room); the creation and development of the outdoor sculpture garden; new roof and site-screens; paint for the entire building; sprinkler systems throughout; and the expansion of ADA upgrades.

The project was led by Berkeley-based ELS Architecture and Design, whose work at the Center began with the renovation of the Lytton Rancheria Grand Lobby in 2010 and continued with the Phase 1 renovation of the Ruth Finley Person Theater in 2013. ELS’s past theatrical projects include the Nokia Theatre in Los Angeles, San Jose’s California Theatre, and the Roda Theatre at Berkeley Repertory Theatre. Construction was performed by Shook & Waller Construction, Inc. of Windsor.

We must also acknowledge our most generous donors who made the Bridge to the Future renovation project possible: the Ernest L. and Ruth W. Finley Foundation, Betty Freeman, GK Hardt Trust, The William and Flora Hewlett Foundation, Lytton Rancheria-Lytton Band of Pomo Indians, Marcia and Gary Nelson, Susan and Alan Preston, Joan and Mack Schwing, Alan and Susan Seidenfeld, Sutter Health, The Swayne Family, Mr. and Mrs. Henry Trione, Wilhelm and Edith Wurst, and an anonymous donor.

LBC consistently strives to offer the best services to our patrons and community. We hope that you have enjoyed the new amenities and features of our space during your visit. They will allow us to uphold our mission to enrich, educate and entertain, having a lasting impact in the North Bay and beyond.
