Your LBC presents an outstanding line-up of arts and educational programs that ignite the imaginations and inspire creativity in more than 40,000 individuals each year across five counties—Sonoma, Napa, Marin, Lake, and Mendocino.

LBC is the Premier Arts and Education Center in the Bay Area Transforming Lives Through the Arts.

Research shows that children who study the arts are four times more likely to be recognized for academic achievement. These experiences also lead to increased standardized test scores, more community service, and lower drop-out rates.

LBC’s quality arts education programs have energized more than 750,000 children over the years through meaningful artistic experiences that impact how they learn to think as well as how they feel and behave.

- Provide access to 1,000 musical instruments from our lending library to students who would not otherwise be able to participate in their school’s music program.
- Allow more than 300 underserved children to attend one of LBC’s multi-week summer camps bringing professional musicians, dancers, artists, and actors to students for instruction, learning, and fun.
