Teaching Artist Training on Classroom Management

Attention Educators! Do you have artists who come into your classroom to work with and teach your students?

LBC is offering a special one-time training for teaching artists focused specifically on classroom management. We know that success in a classroom relies on a foundation of consistent instruction and guidelines. In this training, teaching artists will learn proven methods that will ensure success for everyone. Share this information with the artists who work with your students!

Whether it's music, theatre, dance, or painting, arts activities stimulate young minds with new concepts, challenges, and skills. We're thrilled to announce that our 2019 Summer Arts Camps are now open for registration! Our *free* camps focus on providing an in-depth look at the specific art form chosen while providing a 'summer brain boost' in a welcoming social setting. Campers and their families can choose from Mariachi camp (in one of three locations!), dance camp, art camp, advanced art camp, or theatre camp.
