

To support and encourage the work of Luther Burbank Center for the Arts for generations to come, I/we have included the Center in my/our estate plans.

- I/we accept the invitation to become a member of the Lamona Johnson Walraven Legacy Society.

Because one's estate plan is a highly personal matter, only those who give permission will have their names published in a listing of members.

- Realizing that my example may encourage others to include the LBC in their estate plans, I hereby give permission for my/our names to be recognized publications and other materials.
