

DiNO Light Maze

Help Darwin the dinosaur through his journey!

Great job!

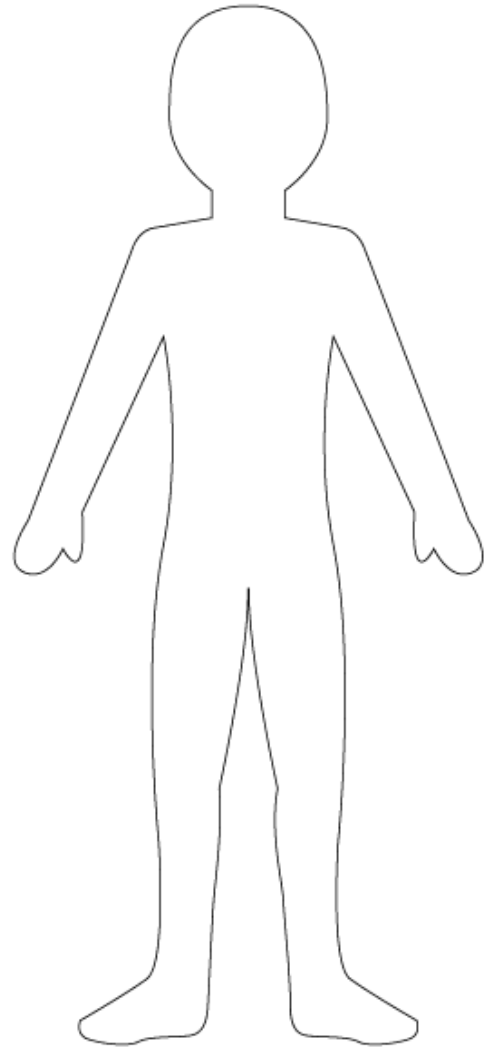

Name: _____

***DiNO Light* Activity: Creating Creature Costumes**

The performers in *DiNO Light* use puppetry and costumes made from lightwire for the characters. You may not have their fancy technology, but you can still design some pretty cool creature costumes on your own.

Using items around your home or classroom, what kind of costume could you make to turn yourself into one of these creatures? List what you could use and draw your costume ideas on the human shape.

Ostrich

To make this costume, I could use:

Name: _____

Dinosaur

(Of course, dinosaurs and cameras weren't around at the same time, but this is what we think some might have looked like!)

To make this costume, I could use:

Name: _____

You Decide!

Your choice here – do you have a favorite plant or creature? Draw, glue, or tape a picture of it in this box and figure out how you could create a costume for it!

To make this costume, I could use:

Name: _____
